RE: Attorney's fees approval

As a result of questions and concerns that have arisen regarding the scope and application of the September 14, 2020 memorandum regarding attorney's fees motions, the Department offers the following clarification and amendment:

- (1) The memorandum applies to attorney fee motions in claims that have become final since January 1, 2020; and
- (2) The deadline for filing motions in those claims is extended to December 31, 2020.

The process for filing such motions remains as set out in the September 14 memorandum. If you have further questions, please send them to me at robert.swisher@ky.gov. Thank you for your cooperation.
