

The below list represents modifications made to the KY DWC edits as of October 27, 2011 for submission of R3 records. Some of these are referenced in our Change Log and Tables, however some are not.

- Added MTC EP to the list of SROIs we need on file in order to receive an 02, 04, CA, or CB.
- Updated logic to check that a suspension has been accepted before we accept an FN.
- Changed logic to allow future dates to be submitted for DN0089 Benefit Period Through Date, regardless of BTC.
- KY DWC no longer accepts MTC CO.
