RE: Application for Self-Insurance—Commonwealth of Kentucky

Employers seeking certification as a self-insured entity with the Kentucky Department of Workers’ Claims must first submit their three (3) most recent certified financial statements and a completed Form SI-02 “Employers Application For Permission To Carry His Own Risk Without Insurance” at least two (2) months in advance of the proposed inception date for approval. Upon completion of the Department’s review of the financial statements and Form SI-02 application, the Department of Workers’ Claims will then notify the applicant if it will initially be considered for approval.

If a company’s financial statements are initially approved, the following completed forms and information must be submitted to the Department of Workers’ Claims:

1. All individual self-insurers must electronically submit loss report data on an annual basis in order to calculate the required security and simulated premium amounts. Loss data of 5 years is required. An example of the required format for the loss report (Form SI-08) is enclosed. Please note that updated loss data will be required annually for losses that may have occurred prior to becoming self-insured. These loss reports will be required to be submitted electronically and meet all the guidelines for loss data submitted for losses occurring while the employer was self-insured. For more detail, please visit the Self-Insurance Branch’s webpage at: http://labor.ky.gov/workersclaims/sac/Pages/Self-Insurance-Branch.aspx and select Data Reporting Instructions.

2. Lost time Injury Reports for the previous five years are required for calculation of the required security amount. The required security amount is based upon an average of indemnity and medical losses during the three (3) highest years of the preceding five (5) years, or a minimum security of $500,000.00. Please note that if the applicant has less than five (5) years of doing business in this state there may be issues we will need to address concerning the simulated premium amount. For further information please contact Mike Watts at (502) 782-4510.

3. After the security is calculated, the applicant will then be notified of the total security amount required by the Department of Workers’ Claims. The Department of Workers’ Claims currently allows the following surety instruments to be utilized: 1) Continuous Bond; 2) Letter of Credit. Please note: If a Continuous Bond is chosen as the surety instrument, the bonding company must have a current AM Best ranking of A- or Better.

Please note that any entity leaving the self-insurance program will be required to maintain their current security amount for a period not less than five (5) years with the Department of Workers’ Claims. After this five-year period, the Department may effectively reduce the amount of security on file, if applicable, with a written review request.
Please be advised, in accordance with 803 KAR 25:021 Section 5 subsection (5), if an employer is no longer self-insured, the amount of security shall be set by the Commissioner in accordance with the minimum amounts established as follows: a) A minimum security of $250,000 shall be maintained for a period of ten (10) years; b) A minimum security of $100,000 shall be maintained for the eleventh to twentieth year after the employer’s departure from self-insured status.

(4) The Department of Workers’ Claims requires a **Self-Insurers’ Guarantee Agreement** for all subsidiaries that are to be included under an applicant’s self-insured program. Applicants are required to list the name and address of each location that is to be covered along with all pertinent Federal ID numbers.

(5) Every application for individual self-insurance shall include: If the applicant is a corporation, a resolution by the Board of Directors, authorizing and directing the corporation to undertake to self-insure.

(6) **SPECIFIC EXCESS INSURANCE:** The Department of Workers’ Claims requires each individually self-insured company to provide a certificate or declaration page of specific excess insurance that clearly states the following:
   A. Indemnity limit of either “Statutory” or at least **$10,000,000 per occurrence.**
   B. Retention level of **$1,000,000 or less.**
   C. Documentation that all divisions and/or subsidiaries included in the self-insurance program are also covered by the excess policy. If the certificate or declaration page does not indicate this, please provide a copy of the attached addendum listing the entities which are covered.

(7) If a service organization is used, Department of Workers’ Claims regulations require a statement from the service organization and self-insured employer stating that the contract between the two parties meets the requirements set forth in 803 KAR 25:021 Section 3 subsection (4). (See attached service contract provision verification example).

(8) In accordance with House Bill 1, as of March 1, 1997, (Non Coal) entities approved for Self-Insurance will be required to become members of the Kentucky Individual Self Insurers Guaranty Fund, and therefore be responsible for any and all assessments as required by the Fund. Note: By statute, Self-Insured Coal Companies maintain a separate Guaranty Fund.

(9) Please be advised that all financial records submitted to the Department of Workers’ Claims are considered to be of public record and therefore are subject to the Commonwealth of Kentucky’s Open Records Laws.

(10) **After final approval** by the Commissioner of The Department of Workers’ Claims, newly self-insured companies will be forwarded an instruction packet in regards to the calculation of their required simulated premium. The initial premium calculation report must be submitted within **thirty (30) days** of the self-insurance inception date.

After these required items are submitted, the applicant will then be notified of any additional filings required for certification.

If you have any questions or need assistance in this process, please contact this office.

[Blank Line]
a self-insured employer, as Principal, are hereby held and firmly bound to the Department of Workers’ Claims in the aggregate sum of $________________________ the payment of which the Surety and Principal bind themselves, their successors and assigns, jointly and severally.

1. In accordance with Chapter 342 of the Kentucky Revised Statutes and the administrative regulations promulgated thereunder (the “Kentucky Workers’ Compensation Act,” as it may be amended from time to time), the Principal has been certified to self-insure its workers’ compensation liability and files this bond to satisfy its obligation to provide an acceptable bond to secure, to the extent the Commissioner of the Department of Workers’ Claims directs, the payment of workers’ compensation liabilities as they are incurred. If the Principal shall discharge promptly and completely all of its liabilities under the Kentucky Workers’ Compensation Act, then the obligations under this bond shall be null and void; otherwise the obligations remain in full force and effect, subject only to other provisions of this bond.

2. Surety agrees that the obligations of this bond shall extend to all past, present, future and potential liability of the Principal as an employer that is self-insured for workers’ compensation liabilities in Kentucky.

3. This is a continuous bond and shall apply to new as well as existing workers’ compensation liabilities incurred by the Principal until the bond is terminated by the Surety, as hereinafter provided, or until the Principal’s status as a self-insurer has been revoked or terminated by the Commissioner, and in any of the above-described events the Surety shall remain obligated under the provisions of this bond for future payments of workers’ compensation liabilities incurred by the Principal prior to termination or revocation. However, the Surety shall be released from its liability if the Principal provides replacement surety acceptable to the Department of Workers’ Claims for payment of the liabilities covered by this bond.
4. This bond may be terminated by the Surety by filing a written notice of intent to terminate the bond in the Office of the Commissioner of the Department of Workers’ Claims and mailing a copy of the notice to the Principal on or before the date of filing, in which event the Surety’s obligation for new workers’ compensation liabilities shall terminate sixty (60) days from the date of such filing with the Commissioner. If the Principal fails to file substitute security that is acceptable to the Commissioner within thirty (30) days of the filing of the Surety’s notice, the Principal shall be in default and this bond may be called. Substitution of surety may be allowed only by novation whereby the new surety or other security assumes all liabilities of the Principal past, present, future and potential, under the Kentucky Workers’ Compensation Act.

5. The Commissioner of the Department of Workers’ Claims may make written demand personally or by mail upon the Principal and Surety, at the addresses indicated on the face of this bond, for any portion of the bond amount from time to time or for the full amount of the bond upon a default by the Principal in the performance of any of its obligations as a self-insured employer or upon the insolvency, bankruptcy, or receivership of either the Principal or the Surety. Payment shall be made within fifteen (15) business days after delivery of such demand to the Surety.

6. The amount of this bond may be increased or decreased by an agreement stating the effective date of the increase or decrease, executed by the Principal and Surety on the form specified by the Department of Workers’ Claims, and approved by the Commissioner of the Department of Workers’ Claims.

7. If the Surety makes payment to the Commissioner of the Department of Workers’ Claims pursuant to the provisions of this bond, any unused balance may be released to the Surety by the Commissioner upon proof of payment and a lapse of time adequate to assure that the Principal’s liabilities under the Kentucky Workers’ Compensation Act have been fully satisfied and that each has been paid or lapsed under the Act.

8. The insolvency, bankruptcy or receivership of the Principal shall not relieve the Surety of its obligations under this bond.

9. Nothing stated herein shall be deemed to relieve the Principal of any liabilities arising under the Kentucky Workers’ Compensation Act.
IN WITNESS WHEREOF, the Principal and Surety herein have caused this bond to be signed and executed in their names and on their behalf this ______ day of ___________________, 20_____.

which are provided for under the provisions of the Workers’ Compensation Act of the Commonwealth of Kentucky per KRS Chapter 342 (hereinafter “Act”). In the event that said Employer(s) fails to pay or cause to be paid their Workers’ Compensation liabilities as they become due under said Act, then the Guarantor covenants and agrees that it will pay same.

II. Guarantor’s Obligation upon Employer’s Default: If the Employer(s) fails to pay any of their obligations as a self-insurer under the Act, the Guarantor will, upon demand and without delay, pay each such unpaid amount as required by the Act to or on behalf of the employee whose injury or disease resulted in that obligation or the representative or beneficiary of that employee, if appropriate, (hereinafter collectively called the “Employee”). Guarantor enters this agreement with the express understanding as a condition precedent to the execution and acceptance of this agreement, that it is for the benefit of unknown and unnamed employees and said employees may maintain direct action on this Agreement to enforce the Guarantor’s obligations. In addition, the Commissioner of the Department of Workers’ Claims or his representatives, successors or assigns (hereinafter “Department of Workers Claims”) may maintain direct action on this Agreement to enforce the performance of the Guarantor’s obligations hereunder. In any such actions, the employees and Department of Workers’ Claims may recover costs and reasonable attorneys’ fees incurred. Notwithstanding the foregoing, Guarantor shall be entitled to contest its liability in any actions brought against it pursuant to this agreement on the same grounds on which the Employer(s) could do so.

The Guarantor hereby agrees not to assert any subrogation rights that it may have as a result of any payments made hereunder against any security that Employer(s) has posted or may post with the Commissioner unless and until the Commissioner returns or releases the security. In addition, the Guarantor agrees to make the payments provided for in this Agreement without regard to whether any obligation of the Employer(s) has been discharged under federal bankruptcy laws or any similar laws.

IV. Termination of Guarantee: This agreement may be terminated at any time by Guarantor giving the Commissioner of the Department of Workers Claims written notice stating when, not less than sixty (60) days from receipt of notice, such termination shall be effective. It is expressly understood and agreed by Guarantor that such cancellation, however, is not to affect liabilities incurred prior to the date of cancellation, or any liabilities or obligations it has under Kentucky Revised Statute Chapter 342. Furthermore, Guarantor understands and agrees that the sale or change in ownership of the Employer(s) it guarantees under this agreement does not terminate this agreement.

V. Reaffirmation of the Guarantee: In his or her sole discretion, the Executive Director may, from time to time, require the Guarantor to reaffirm its obligations under this Agreement by re-executing the form of this Agreement as it may subsequently be revised by the Department of Workers Claims. Notwithstanding the foregoing, the Guarantor shall remain liable under the terms of this Agreement in the absence of any such reaffirmation.
