

IMPORTANT REMINDER

As previously announced, as of January 1, 2019 all Settlement Agreements (Form 110) must be submitted electronically through LMS. The DWC will not accept nor process paper Settlement Agreements after January 1, 2019. To access the PowerPoint presentation regarding the process for submission of Settlement Agreements electronically please go to the Forms, Documents, Publications, and Reports tab on the DWC website and type in the words "settlement agreements" in the keyword search bar. The first option will be titled "Electronic Submission of Settlement Agreements PowerPoint." Open that document for a detailed explanation of the process of electronic submission of Settlement Agreements in claims assigned to ALJs and pre-litigation/post-litigation Settlement Agreements. For further assistance, please contact the DWC at LABORKYWCLMS.TECHNICALSUPPORT@KY.GOV.
